Year 8 Brings Supers to the Stage

Christine Taylor, Producer

See more photos of Kaleidoscope 'Supers' performance via St Peter's App photo galleries...

Last weekend's performances of *Supers* – the 2016 Year 8 Kaleidoscope production, explored themes of conflict resolution, cyber-safety, resilience and empowerment through the lens of a Superhero narrative. It followed three key figures: the Central Character (Hero); Bystander (Sidekick) and Antagonist (Villain) to enlighten its audience that anybody has the potential to play any of these roles and that it is our choices that dictate what role we play and that make us super.

Thank you to everyone who participated.

Call for QCS Volunteers

Each year, students throughout Queensland sit the Queensland Core Skills (QCS) Test. This test contributes information for the calculation of Overall Positions (OPs) and Field Positions (FPs), which are used to rank students for tertiary entrance.

This year, the QCS will be held on Tuesday 30 August and Wednesday 31 August.

To ensure the validity and security of the QCS Test at the various centres around Queensland, the Queensland Curriculum and Assessment Authority (QCAA) appoints members of the community to carry out duties on their behalf. Community Representatives observe the administration of the QCS Test and report, to the Chief Community Representative, any concerns about the administration of the test. Community representatives do not supervise the students sitting the test.

We invite members of the community to apply for the position of Community Representative at St Peters Lutheran College.

On behalf of the QCAA, the chief supervisor of each test centre receives completed application forms from interested members of the community and selects the appropriate person to nominate for each available position at the test centre.

If you have any questions regarding this appointment please contact Mr Simeon Milner, either by email s.milner@stpeters.qld.edu.au or 3377 6286. Further information, including payment rates, can be found on the QCAA website.

Morning Prayer

Since the earliest days of the church, Christians have encouraged the practice of daily prayer. Whether it's done privately or publically, daily prayer is a wonderful gift which has many benefits; it's a good thing for people as individuals, and it's a good thing for the wider community.

There are certainly benefits of prayer for us as individuals. Prayer in the morning is a great way to start the day; if you like, it's a way of launching into a new day with your best foot forward. I've found that what I do first thing in the morning will often set the tone for the rest of the day. If I started the day in a rush, I will end up rushing through the rest of the day; if I'm disorganised in the morning, I'll still be chasing my tail in the afternoon. Morning prayer gives us the opportunity to start the day quietly and deliberately with word and prayer. This doesn't magically make your days any less stressful, and you'll still have the same jobs to do; but it is a gift to be able to start the day by listening to God, praying for the day ahead, asking for God's strength and wisdom, and handing cares or concerns over to him.

But prayer is never just about us as individuals. Christians can actually view prayer as a form of community service; we don't just pray for ourselves and our own needs, but we also pray for the world around us and its needs. This is something I have gained a new appreciation of since I've been part of the St Peters community. Most Monday through Thursday mornings between 7:45 and 8:00am you can find me in the Prayer Chapel (underneath the Chapel bell-tower at St Peters Indooroopilly). Sometimes I'm alone, at other times people join with me. It's a busy time for many people in the morning, and I understand that it often isn't possible for them to join me. I'm not disheartened by this; instead it gives this prayer time a distinct focus. It is a gift that I am able to sit there with the hustle and bustle of the school around me and pray for the wider community at the start of another day.

If you are able to join me for morning prayer, please do. You can access the Prayer Chapel at St Peters Indooroopilly from the stairway on the rear right-hand corner of the main Chapel. Morning prayer is normally from 7:45-8:00am; anyone is welcome to join in. Alternatively, if you can't make it, but would like me to pray for something in particular, please feel free to contact me on 3377 6507 or m.prenzler@stpeters.qld.edu.au

God's blessings to you all,

Pastor Matthias Prenzler

Telling Tales Author Tour: Order Form due Friday 20 May

On Wednesday 1 June, students in Years 2-4 will attend a presentation by three authors, one of whom is also an illustrator. Judith Rossell, Katrina Nannestad and Tiffany Hall are on the final leg of a speaking tour organised by publishing house Harper Collins, which has taken them to schools in Victoria and New South Wales.

Books written and illustrated by these authors can be ordered via the **Telling Tales Author Tour Order Form** sent home last week. Books will be supplied by Riverbend Books, autographed by the authors and available for collection from the Library after school on the day of the event.

All orders must be submitted to the Library by COB this Friday 20 May. Books on the order form are available in the Library this week for viewing. Parents of students in Prep and Year 1 are also welcome to order books, especially as the offer includes two picture books illustrated by Judith Rossell.

[Click here](#) to download the order form.

National Simultaneous Storytime (NSS)

As part of Under 8's Week, students in Prep and Year 1 will celebrate National Simultaneous Storytime, viewing a dramatisation of Jol and Kate Temple's fun book *I Got This Hat*. On Thursday 26 May, Prep students can bring a fun hat to school to wear for the duration of the NSS event.

Premier's Reading Challenge

Next week marks the start of this year's Premier's Reading Challenge. Students will be given their *Reading Record Forms* in the coming days, with more information supplied in the next issue of Pebbles.

Coding Club News

Year 4 Coding Club

This term, students in Year 4 had the opportunity to join in a lunchtime Coding Club. During these sessions students learned the basics of coding with Scratch to make simple animations. Scratch is a free online program which is simple enough for all ages to learn to code www.scratch.mit.edu.

Parent expert, Darren Draper, gave us a robotics demonstration using a Lego Mindstorms EV3 and an mBot. Students enjoyed learning about the code behind operating these robots and had a turn at driving an EV3.

In the coming weeks, students will be given an opportunity to explore other coding options such as iPad apps including Scratch, Tynker, Kodable and Hopscotch. These apps provide a variety of game based learning and development of coding skills through creation.

We also have a set of Spheros. A sphero is a Spherical Robot toy capable of being controlled and programmed via an iPad app. We look forward to discovering more about these with the Coding Club in the coming weeks.

Junior Netball

Last Saturday, a group of Years 3 and 4 students played at Western Districts Netball Association. The St Peters 6 team made a record number of goals and drew with the opposition. It was an extremely exciting match and the girls were thrilled with their efforts. The St Peters 7 team also had a great time and showed improving team work skills. If you'd like to support these teams one Saturday head down to the WDNA courts at Graceville. Games commence at 8.00am.

Cross Country results

Congratulations to the following students who placed at the Middle School Cross Country and recently received their medals. These students will now feature in the Inter Lutheran team that will travel to Rivermount College next Tuesday.

Music News

At last Friday's assembly, we were privileged to see the second Solo Concert for Term 2. Eleven students shared music they have been learning during their piano and violin lessons. Congratulations to James Logan, Isabella Rois-Ardila, Harry O'Connell, Andrew Draper, Jack Riddell, Isabella Appelboom, Riley Macmood, Max Hajkowicz, Georgie Porter, Hayden Riley and Nhan Nguyen for your musical performances.

The next student concert will be on Friday 27 May (Week 7), so please encourage your Year 3 and 4 children to talk to their instrumental teacher about performance opportunities.

To see more photos of the Junior School Music Department each week, as well as the weekly rehearsal schedule and information about upcoming performances and events, check out our notice board outside the String room.

Year 5 News

NAPLAN is over and we are back to five day weeks! We were impressed with the manner in which our students handled the recent NAPLAN tests. They tried their hardest without becoming stressed.

This week, we start our new Unit of Inquiry: *How The World Works*. This is a science and maths-based unit with a focus on light, the solar system and data handling. There will be two assessment tasks: an oral presentation on a scientist of choice and the creation of an infographic to explain a scientific discovery.

We encourage students to be organised for the day ahead. It is important that they bring the correct stationery to class: sharp pencils, a 30cm ruler, eraser, pencil sharpener, highlighter pens and coloured pencils. As it is easy for students to misplace these, it is handy to have all these items named. A water bottle is also a valuable.

You will have received an email regarding the upcoming school photos schedule. Sports teams will be photographed on Friday 27 May and class photos will be taken on Tuesday 31 May.

News from Woodrow Library

The Best Job Ever

Mrs Andrews and I had a lovely chat on Friday afternoon of last week. We virtually hadn't sat down all week because Woodrow Library had just been so busy – just how we like it! Upon reflection, we both commented on the outstanding attitude and efforts of so many of our students in Years 5-7. There truly is a culture here that values books, reading, learning and thinking. We have also been very impressed by the way in which our reluctant readers are taking our suggestions on board and giving reading a go. Well done! In particular, we both love hearing about the books students have completed. It's just so lovely to have those conversations with students. We think we've got the best job ever!

Term 2 Scholastic Book Club Order

Brochures for Term 2's Book Club have been distributed to all Middle School students.

Orders are due by 3.00pm on Friday 27 May, at which time Library staff will electronically submit the school order to Scholastic. Orders placed by parents after this closing date and time will not be delivered to St Peters with the school order and parents will have to make individual arrangements with Scholastic for these items to be posted at cost to their home address.

The new ordering procedure is:

- Log-in to www.scholastic.com.au/LOOP or download the Scholastic App. Follow instructions and enter state/school name: 'St Peters Lutheran Middle'. You will then be redirected to the LOOP system;
- Click on ORDER in the top menu or REGISTER first to save your details for next time. Select your school and child's class. Add your child's first name and last initial only eg. Sam M;
- Enter the item number from the Book Club brochure; and
- Pay using the Westpac Secure Payment Service using Visa or Mastercard.

If you require help, you can view the How-to-order video: <http://mybookclubs.scholastic.com.au> or use the HELP menu.

The Books Rock Café

Next week's guests at The Books Rock Café are Joshua Adegborioye (6E) and Adrian Richards (6A). Congratulations. We'll see you on Wednesday at Morning Tea for a takeaway hot chocolate and marshmallows. Remember to invite a friend to join you.

Junior High News

I am pleased to see the perseverance of Junior High students as they have worked around public holidays, cocurricular commitments, NAPLAN, immunisations, Ironbark, Kaleidoscope and camp preparations.

Year 8 News

Congratulations to all those involved in last weekend's Year 8 Kaleidoscope production 'Supers'.

This year marked the 10th Anniversary of this event and the intense rehearsal schedule requires commitment, planning and perseverance. We are proud of the way in which students have applied themselves during this time. It is clear that many students have grown in self-confidence and discipline.

This week, Year 8 students are on camp. This is the first time the College has endeavoured to take the cohort away for a week-long camp. It is hoped that it will become an integral part of our Pastoral Care Program and an important stepping stone to the compulsory five week Ironbark Experience in Year 9.

Year 9 News

This week, we welcomed back 9A and 9B from Ironbark. On Tuesday we farewelled 9C and 9D as they headed off for their Ironbark adventure.

Safe Behaviours

Our priority is to provide a safe environment for our students. However, students also have a part to play in acting responsibly. Students have been reminded about respecting each other's personal space and physical rights. Over the coming weeks, we will continue this conversation with students.

SENIOR SCHOOL

Head of Senior School

Earlier this term, I attended a careers presentation – a weekly event held in our Careers Centre when invited guests speak to students about their profession. Students have the opportunity to ask questions and get an insight into possible career options and advice about how to obtain the necessary qualifications.

The two presenters, Carys Hodgson and Jade Burton, are recent St Peters graduates. They shared their experiences about their time at the Australian Defence Force Academy encouraged those aspire to a similar path. The girls were strong, passionate, confident and proud presenters.

It was wonderful to see these Old Scholars in their impeccable uniforms having achieved their ultimate career goals. What made the girls journey even more special, was that it was not without struggle – it rarely is. The reality of school is that there are pressures and challenges

and to see them work through these, was the ultimate reward for any educator.

These events epitomise everything we strive for at St Peters: to prepare our students for careers and life after school. It was great to see the staff members who supported these girls through their St Peters journey and applications to ADFA looking on with pride.

MUSIC

Chorale to Sing at St John's Cathedral

Sunday 22 May, 6.00pm, St John's Cathedral (short concert to follow 7.15–7.45pm)

St Peters Chorale is privileged to have been invited to join with the St John's Cathedral Singers to lead music worship at the Evensong Service.

The Evensong Service (Evening Prayer) is a service of evening prayers, psalms, and canticles led predominantly through music. This event marks the beginning of preparations for later services and events including the Chorale International Tour, when Chorale will lead music worship for Evensong services in UK Cathedrals.

The St Peters community is welcome.

Langer Library Assignment Pathfinders

The *Library Pathfinders* are prepared to assist students in Junior High and Senior School with assignment resources. A typical pathfinder details relevant books, eBooks, databases and website searches for research topics. Students are instructed, during lessons in the Library, about the specific search strategies for each topic, and are also given assistance with bibliographies.

These pathfinders are available from the Assignment Help (Pathfinders) page on the Langer Library website: <http://libguides.stpeters.qld.edu.au/librarywebpage/pathfinders>

SPORTS DRAWS

[Click here to access this week's draws](#)

The third round of AIC Chess, Football and Rugby fixtures were played last weekend against St Laurence's College. The weekend began with a competitive display by the St Peters Chess team on Friday night, and concluded with a hard fought win to our First XV Rugby and First XI Football teams on Saturday afternoon.

AIC Football and Rugby

Well done to our St Peters First XI Football team and First XV Rugby teams, who have continued their early run of wins. This is the second time in three weeks that both First teams have walked away with wins, and the third win in a row for our Rugby First XV! Well done!

A special mention to the future faces of Rugby with our 15A team remaining undefeated after three rounds in spite of a closely fought draw last weekend. I wish these young players all the best and look forward to watching their teamwork develop further over the coming weeks.

Last weekend, our St Peters footballers had many commendable results in the face of challenging opposition. Our 10A's recorded their first win of the season (and an impressive win at that – 6-5!) whilst our 2nd XI and 7A teams played out nail-biting drawn matches. A special mention to the 10B's who showed tremendous improvement and a much stronger performance.

I ask players continue to work hard at training, draw on their experiences from these past games and work hard as a team for success over the coming weeks.

Round 4 action pits our St Peters teams against our northside rivals at St Patricks College next weekend (21 May). Games will be hosted across the two Colleges. Fixture details can be accessed via the above button or the St Peters App or portal.

AIC Chess

Coordinator: Mr Gil Bygraves g.bygraves@stpeters.qld.edu.au

Congratulations to our Intermediate and Junior A players, who managed commanding wins against St Laurence's on Friday night. After two rounds away, our Chess fixtures will return to play at home next Friday night (20 May) versus St Patrick's College. I remind players that you must commit to team trainings and communicate in advance to coaches/managers if you are unavailable for fixtures. I look forward to seeing all players continue their run of excellent form next weekend.

Years 7 – 12 Cross Country

Coordinator: Kerry Schreiber k.schreiber@stpeters.qld.edu.au

Last fortnight, information about training sessions and the upcoming AIC Cross Country season was emailed to a selection of boys. I encourage these boys to commit to the team and attend the training sessions regularly. It was excellent to see committed boys already at training last week. I look forward to seeing more boys (and their friends or family) join the sessions on offer.

Please see Mr Bradforde or Mrs Schreiber in Sports House to work through any timetabling or training clashes.

For information on the AIC Cross Country season, please contact the coordinator Mrs Kerry Schreiber k.schreiber@stpeters.qld.edu.au, or the manager Mr Steve Petherick s.petherick@stpeters.qld.edu.au. Training details can be accessed via St Peters App and portal.

AIC Tennis and Basketball Pre-season

Sign-ons for these two sports took place this week, however students can still register their interest with staff in Sports House if they would like to join up.

Tennis Pre-Season

Coordinator: Mr Stuart Delaney s.delaney@stpeters.qld.edu.au

Pre-season training starts next week! Boys in Years 7-12 who registered interest should have this information from sign ons and have been emailed training times and venues.

- Years 5 – 8: Wednesdays 6:15 – 7:30am, Lohe Street Courts; and
- Years 9 – 12: Fridays 6:15 – 7:30am, Lohe Street Courts.

Basketball Pre-Season

Coordinator: Mr Paul Galland
p.galland@stpeters.qld.edu.au

All teams (besides the First V Squad) will start their pre-season training in Week 1, Term 3. Pre-season training schedules and venues are in the process of being finalised for all other year levels.

Cross Country

Coordinator: Miss Lisa Dighton l.dighton@stpeters.qld.edu.au

Congratulations to our 2016 QGSSSA Cross Country team on their seventh place at the QGSSSA Cross Country Championships. I am proud of each and every runner and could not have asked for more on the day. Each girl represented their school with pride and showed tremendous team spirit. I am particularly impressed with the support you showed for one another and the number of personal best performances. Well done!

A special mention to Zoe Manning who took out third place in the 14 years race.

Thank you to Captain Holly Braithwaite and Vice-captain Molly Penfold for leading by example and for all of the work they did in preparation for the event. Thank you also to the number of families involved – I appreciate all that you have done for this sport.

Until next year, keep running!

Autumn Fixtures: Basketball, Football and Touch

Round 7: St Peters vs BGGGS

Please ensure you have checked the draw. Draw information can be accessed via the above button, St Peters App or portal.

I wish all teams the best of luck!

Football

Coordinator: Mrs Kerry Schreiber k.schreiber@stpeters.qld.edu.au

It is great to see how the juniors have progressed and, for those girls who are new to the sport, how much they have learned about the game.

Please remember that if you are unable to make the games you must let the coordinator and your coach know. Good luck this weekend!

Pre-Season Winter Fixtures: Netball, Hockey, Volleyball, and Tennis

It is important to note that in-season sports take priority over pre-season sports training. If you have any concerns regarding clashes please contact Miss Dighton.

Sport for Life!

The *Sport for Life!* program was developed and implemented in 2006 for students in Years 5-7. The focus of the program is for all individuals to participate and have fun in sporting based activities. The *Recreational Sport Program* will enable students to learn new skills in a particular activity. Students will take part in a different activity for each of the first four weeks of Term 1 and Term 2.

In addition to this, structured *Sport Development* activities will run throughout the year. This will be done during the last four weeks of each term and allow students to practice fundamental sporting skills, including kicking, striking, throwing and catching. This program encourages students to be active, have fun and improve coordination skills, further building their confidence. These sessions are organised to supplement AIC and Primary Girls Sporting competition that is available for students in Years 4-6.
