Central Australia Indigenous Immersion Trip

Pastor Matt Wilksch, Springfield Chaplain

During the semester break, 20 students from Years 10, 11 and 12 and three staff from St Peter's Indooroopilly and Springfield travelled to Central Australia for the 2017 Indigenous Immersion.

Students and staff visited communities at Cave Hill in the APY Lands in South Australia and at Kaltukatjara (Docker River) and Yulara/ Uluru, participants gained a deep insight into indigenous life and culture. Students learned *Tjukurpa*, creation stories that explain the land and govern life, religion and moral teaching to the present day.

Kaltukatjara (Docker River) gave students the opportunity to join indigenous students at Nyangatjatjara College in classes, assisting with

teaching and learning. Students played softball and soccer together and helped plant and paint a garden at the school.

At Yulara, students experienced the commercial realities of life in the centre, as well as engaging with indigenous stories about aspects of Uluru.

Every participant left having been deeply affected by the experience and with powerful memories to draw from as they ponder how to address indigenous issues in the future.

Thank you to Ms Ingrid Rucinski, Ms Bronwyn Jamieson and Pastor Matt Wilksch for supervising the trip.

HEAD OF COLLEGE

The Importance of Good Manners

A very warm welcome to Term 3. I trust that the term break was an opportunity for many people to relax and recharge their batteries.

Term 3 is a crucial term, particularly

for our Year 12 students as they face the QCS Test in early September. It is important that all students get straight back into the routine of school and study, and build solid foundations and momentum right from the start. What our students do now will stand them in good stead come the later half of this term. Students (hopefully in collaboration with their parents) should have reflected on their Semester 1 Report Card, and established new learning goals and put in place plans to achieve them. Having a clear direction and target, together with steps in place to achieve them, are critical to achieving personal bests.

During the first few weeks of term, I will speak with students at Assemblies about the importance of good manners. Good manners may seem trivial, but it is the little things about how we go about our lives that make all the

difference. By and large, I believe St Peters students exhibit very good manners, but it never hurts to be reminded. Good manners are an important foundation-stone of our society. Good manners are the basis on which we build a community where we treat each other with care, dignity and respect. The essence of good manners is about showing consideration to other people, whether it's offering your seat on a bus to another person, opening the door for another, greeting a teacher with 'Good Morning Miss/Sir', allowing another car to pull out in front of you, or saying thank you for something you have received. At assemblies, I will emphasise to students that the five most important phrases here at the College are: Please; Thank you; Excuse me, Good morning/afternoon, and Can I help you? These five words are at the heart of good manners and the basis by which we demonstrate respect and consideration for others. These five phrases are the basis of a good school, a good life and a good society. Even in the busyness of everyday life, there is no excuse for poor manners. Ralph Waldo Emerson, the American philosopher and poet, got it right when he said that 'life is short, but there is always time for courtesy'.

I wish all members of our community all the very best for Term 3.

Face-planting: We are Supported!

I face-planted off my bike in the holidays. I'd rebuilt my bike, and had already retightened the lock nut at the back of my front brakes. But it worked loose again, came off, and as I touched my brakes, I instantly went over the handlebars. Smack onto the bitumen. I crawled to the footpath, held my handkerchief to my bleeding face and called the ambulance. It took ages. The kind couple who lived on the corner stayed with me, gave me a cool face washer to press on my face, and got my bike. Someone else brought a bottle of cold water. Drivers stopped to offer help.

Ipswich Hospital was good: friendly, kind, excellent. My wife walked up from her work, and my daughter and son-in-law came, saw me, then picked up my bike and the car that was being serviced. Only 30 metres from emergency to the CT scan. No cheek bone fractures. The facial surgeon was available, and carefully stitched me back together. Home that night, and actually slept well.

I felt sorry for myself. It took a couple of days before I realised how many people had gone out of their way to help me.

I made it to Adelaide for the Australian Conference on Lutheran Education. I managed the 26 kilometre charity walk down the Adelaide Hills. My face looked better each day. Then, flying back, tired and ready for home on Friday evening, fog hit, and we were diverted to Sydney, and utter chaos. One of the St Peters staff phoned a friend who was house sitting, and there was a couch spot for me as well. Off we went, to a kind welcome at midnight.

I awoke to the sound of the first ferry in Neutral Bay and an incredible waterside view. After hours on hold, we were rebooked for Sunday afternoon, and the tension could slowly release. We had a stunning Saturday on the harbour, and a lovely Sunday walking along Cronulla beach. Finally home Sunday night. And the stitches that I was so worried about came out with little discomfort on the Monday. Now only the two hours of dental work to go. That can wait a few days.

There are a lot of people who support us each and every moment. It's not a matter of deserving. It is pure grace. May that be your experience as well. Sometimes we just need to trust that, even though we are still a touch shaky.

Primary Years News

A very warm welcome to all new Primary Years families. This term, we welcome Xixi (1B), Harrison (2B), Delilah (4B), Saxon (5C), Attila (5D), Matthew (6A) and Archie (6E). We are confident that your educational journey with us will be positive and rewarding!

We welcome two staff members to the Primary Years team. Mrs Jackie Yorke, who is well known and loved by many, has returned to St Peters in a new role as Lower Primary Counsellor.

Also returning is Mr Paul Cooke (who has replaced Mr Marshall Murphy, who retired at the end of last semester). Mr Cooke will take up classes in the Technology department and work with students in Years 5 and 6. He is familiar with the College and the classes, having stepped in as an experienced Tech teacher covering Mr Murphy on many occasions.

I am confident that both members of staff will quickly adapt to their roles.

Multicultural Week (Week 3)

Each year, the College celebrates the rich diversity of cultures that make up our community during Multicultural Week. Students will participate in activities throughout the week. Our whole College Flag ceremony will take place on Tuesday 25 July at 8.30am. Parents are welcome to attend. Students are encouraged to wear national dress of their heritage, or costumes denoting a culture that is familiar to them.

Senior students from our Multicultural committee will organise activities each lunchtime to help Primary Years students gain further appreciation of the importance of multiculturalism in today's world.

Athletics Carnivals

This term, Athletics plays an important role in our Physical Education program. Students began participating in activities aligned with this towards the end of last term. The Years 4-6 carnival took place yesterday, and the Prep – Year 3 carnival will be held on Thursday 3 August on Stolz Oval. Further information will be available closer to the time.

Code Camp

Students loved Code Camp, held in the first week of the holidays. There were 36 keen coders spread across two Spark and Ignite classes. They enjoyed everything on offer during the three days.

The two levels of complexity allowed for those children who already had basic skills to move forward to the next stages in their skills, while those who were still developing their basic skills enjoyed time to complete this.

We will host another Code Camp in the September holidays. Stay tuned for dates.

2018 TERM DATES

Junior High News

It's always difficult to put into words the atmosphere around the College during the first few days of term. This week, we welcomed nineteen new students and their families to Junior High. I congratulate them on how they are handling the transition.

We have also had a number of staff changes. Welcome to Mr Michael Kurylewski (German), Ms Veronika Blaszczyński (Maths and Science) and Miss Vanessa Cassard (French).

Report Card Questions and Feedback

Although we do not have a formal parent-teacher interview evening for Junior High this term, I encourage parents to make contact with any of their child's subject teachers if they have questions or concerns about results or comments on the end of Semester report card. Please remember, the Subject Teacher should be the first port of call for academic concerns.

Mobile Phone Use

Some students can find it difficult to adjust to mobile phone restrictions when they return from holidays. Students are reminded mobiles must be secured in their lockers during the day. They can access them at their locker for important messages only. If a student has their mobile phone confiscated, it will be held by the Year Level Coordinator or at Junior High Reception for collection.

Uniform Reminder

A reminder that black socks are not part of the St Peters HPE uniform. Please ensure that your child has enough pairs of white HPE socks to get them through the week and all of their various training sessions.

Years 8 – 12 QDU Debating

The Round Robin Tournament for Years 8 – 12 QDU Debating has been completed. St Peters students were excellent ambassadors for throughout Semester 1 and should be proud of their accomplishments.

The finals season is about to begin. We are fortunate to have three teams that qualified for the knockout finals: our Year 8.2 team; Year 9.1 team; and Year 10.1 team.

Watch this space for the results.

I thank all students, parents and coaches for their commitment to Debating.

JUNIOR HIGH & SENIOR SCHOOL

Senior School News

This week, we welcomed a significant number of new students and their families. More new families will join us in the coming weeks. Thank you to parents for their support, guidance and encouragement of these students in their first few weeks at St Peters. Making a transition to a new school can be a challenging proposition for some – should you have any concerns or feedback please contact the relevant Year Level Coordinator.

Student Leadership applications for 2017/2018 opened this week for Year 11 students. This cohort will have the opportunity to attend a number of presentations in the coming weeks to assist them with their application. Should you have any further enquiries, please contact the Deputy Head of Senior School, Mr Joel Butler.

There is much to look forward to in the coming weeks for our students. These activities are valued by the College community and, as always, we aim to limit the disruption to academic class time.

David Rushmore, Head of Senior School

2017 Early School Leavers survey

The Queensland Government is conducting its annual statewide survey of students who left school in Years 10, 11 and prior to completing Year 12 during 2016. The Early School Leavers survey is a short, confidential survey that collects information about what young people are doing the year after leaving school.

Between July and August, students who left school in Years 10, 11 and prior to completing Year 12 last year can expect to receive an invitation to complete a web-based survey or a telephone call from the Queensland Government Statistician's Office to complete the survey. Please encourage them to take part.

For more information, visit www.education.qld.gov.au/nextstep/ or telephone toll free on 1800 068 587.

St Peters You've Got Talent (SPYGT) began this week with students performing in the Chapel during lunchtimes. School leaders have worked tirelessly to bring this together and we look forward to being thoroughly entertained by the diverse talents on show.

Next Wednesday, all Junior High and Senior School students will be involved in our annual Interhouse Athletics Carnival. A reminder that this is a compulsory school day for all students.

Finally, thank you to students and staff who spent much of their holidays representing the College on one of the many school trips organised. I continue to be amazed by the wonderful opportunities and experiences our students are able to engage in. This would not be possible without the dedication and drive of our wonderful teaching staff and support from parents.

BOYS SPORT (YEARS 5–12)

Boys Sport Coordinator, Matt Bradforde **phone:** 3377 6234 **mobile:** 0434 072 059 **email:** m.bradforde@stpeters.qld.edu.au

Term 3 is shaping up to be another busy term as we focus on our in season sports: Cross Country, Basketball and Tennis. Please remember that these sports take precedence over other training sessions and players must remain committed to their teams and the sport throughout the term. Any boys who wish to represent the College in Athletics should consider incorporating pre-season training into your schedules where this does not clash with in-season commitments. Good luck to all sportsmen representing the College this term!

Sport Clashes

Occasionally, commitments may overlap. It is important that students communicate with coordinators so that arrangements can be made to best accommodate all students. If there are any major issues, please come to Sports House and see Mr Nodwell, Mr Bradforde or Mr Galland.

Inter-house Athletics Carnival

The Inter-house Athletics Carnival will be held on Mayer and Harts Road ovals next Wednesday 19 July. We look forward to sharing in a day full of healthy competition, team comradery, house colours and music. Championship events (worth double points), jumps, throws, sprints and novelty events will be a part of the schedule. See you there in your house colours!

Cross Country

Coordinator: Mrs Kerry Schreiber
k.schreiber@stpeters.qld.edu.au

The Cross Country season is a priority sport for the first four weeks of Term 3. Students who have shown commitment to training or a high aerobic capacity in other sports will be approached to run in the upcoming practice meets and the AIC Championships.

These AIC Cross Country meets are a great way to prepare for the Championship held in August and it is recommended that students attend the lead up meets:

- **Saturday 22 July:** All ages. Limestone Park: Chermshire Road, Ipswich. First race 2:00pm – 5:30pm. This meet is compulsory for all AIC XC Squads;
- **Friday 28 July:** All ages. SPC Playing Fields: Curlew Park, Shornecliffe. First race 3:45pm – 5:00pm;
- **Friday 4 August:** All ages. SLC Playing Fields: Nathan Road, Runcorn. First race 3:45pm – 5:00pm; and
- **Wednesday 9 August:** All ages. AIC Championships. Limestone Park: Ipswich. 1:00-4:30pm.

AIC Basketball and Tennis

Basketball and Tennis are now in season! Players have been emailed training schedules. Students who wish to represent the College must commit to their teams.

Before the first round of AIC fixtures next Saturday (22 July), our Years 7-12 Basketball and Tennis players will compete in trial games against St Edmunds College this Saturday 15 July. We look forward to enjoying this weekend's games. Although they are practice matches, they provide an opportunity for coaches to finalise team selections for the first round of AIC competition so all keen players should attend.

Please note that, this season, Basketball and Tennis fixtures will follow a split round format, with certain age groups playing away each week while others play at home.

For this weekend against St Edmunds see the venues below:

- **Basketball Senior teams (Years 10 – 12)** will play AWAY at St Edmunds;
- **Basketball Junior teams (Years 7 – 9)** will play AWAY at Centenary SHS;
- **Tennis Senior Teams (Years 9 – 12)** will play AWAY at St Edmunds; and
- **Tennis Junior Teams (Years 7 – 8)** will play HOME at Lohe St Courts.

All details can be found on the St Peters App.

BOYS AIC ATHLETICS

Pre-season trainings will start in Week 3 and take place on Monday, Tuesday and Wednesday afternoons at various locations. Stay tuned for more information in the coming weeks.

GIRLS SPORT (YEARS 7-12)

Girls Sport Coordinators, Kelli Rodman, Susannah Treschman and Kerry Schreiber phone: 3377 6218 email: girlssport@stpeters.qld.edu.au

Over the break, girls were involved in various sporting opportunities.

Many students participated in the Netball and Volleyball clinics. These clinics involved intensive coaching and skills development and was a lot of fun for our athletes. Thank you to Ms Ashleigh Walters, Ms Emy Huntsman and Mr Mike Rickerby for assisting with these clinics. We look forward to more girls being involved in this next year.

Over the break, 12 netballers travelled to Melbourne to compete in the Waverley International Netball Competition. Girls played some challenging netball against schools from Victoria, South Australia and even Sri Lanka. We look forward to seeing new skills demonstrated throughout the QGSSSA Netball season. Thank you to Ms Ashleigh Walters and Ms Carynne Robinson for accompanying the girls.

The Rowing Camp took place at Bucca Weir. This was a great time for girls in the Rowing program to improve their skills under the guidance of passionate coaches and spend time bonding over early morning sessions. Thank you to Ms Eleanor Wilson for her tireless work organising the camp and to coaches.

Finally, congratulations to individual girls for their achievements over the break. Well done to Lara O and Claudia L who represented Queensland in Water Polo. Equestrian, Georgia T, competed at the Queensland State Interschool Championships, where she placed second in both of her tests and became the Reserve State Champion (second in the state). Georgia has secured a place on the Queensland state team and will attend Nationals next school holidays. We wish her the best of luck.

Winter Fixtures

Hockey, Netball, Tennis and Volleyball

This Saturday 15 July, the first round of QGSSSA Winter Fixtures will take place. Refer to the following locations for Round 1 home games and check the St Peters App for game times and venue details:

- **Hockey:** all home games will be played at UQ turf fields 4 and 5;
- **Netball:** all home games will be played on St Peters Harts Road Courts. The exception is team 8B2, who will play at MBC, and team 7C2, who will play at Cannon Hill;
- **Tennis:** Round 1 home games will be played at UQ Tennis Courts;

- **Volleyball:** Round 1 home games will be played at St Peters Gym. This is the only week that all Volleyball teams will have the chance to play together at home.

Volleyball

The QGSSSA Volleyball season starts this week with a home game against our one of our biggest rivals, Brisbane State High School. All teams will play at home with the Opens playing on centre court at 11.00am. To celebrate the season opener, the Volleyball Support Group will host a BBQ and we would love to see all our supporters on Saturday morning! If anybody is available to help with the BBQ throughout the morning, please email Emy Huntsman e.huntsman@stpeters.qld.edu.au. Teams will be announced this week at training so attendance is paramount. Refer to the St Peters App for all training details. Girls will need to have the full Volleyball kit (available from Shop 45).

Sunday Night spikes will recommence this week.

Rhythmic Gymnastics

There are only four weeks left of Rhythmic Gymnastics with the big QGSSSA competition day on Friday 4 August. Every training session is extremely important (particularly the dress rehearsal on Wednesday 26 July). This is a compulsory training session that starts at 4.00pm. Girls who cannot attend must email Miss Cummings by Wednesday 19 July.

Athletics Training Terms 3 and 4

Training for Athletics started this week. All training in Weeks 1 and 2 will take place at St Peters before Tuesday sessions move to UQ (buses will be provided on a Tuesday).

Training:

- **Throws (Discus, Javelin, Shot Put):** Monday and Wednesday afternoons;
- **Middle Distance (400m, 800m, 1500m):** Monday, Tuesday, Wednesday afternoons; and
- **Sprints, Hurdles and Jumps:** Tuesday and Wednesday afternoons.

Tuesday afternoon training will take place at UQ for runners and jumpers. All other sessions will take place at St Peters with a 3.20pm sign in at Café 45.

Please note that students are not expected to make every session. The sessions are designed
