## St Peters Celebrates 500<sup>th</sup> Anniversary of Reformation in Concert

Christine Taylor, Head of Choirs

See more photos via St Peters' App photo galleries...

Last Saturday, approximately 350 students from five Lutheran schools gathered at St Peters Performing Arts Centre Auditorium for the Reformation 500 Celebration Concert. Students, staff and families from St Peters Indooroopilly and Springfield, Redeemer Lutheran College, Faith Lutheran College and Grace Lutheran College joined in the celebration.

The concert was a massed choir and orchestra celebration of music in the Lutheran tradition. Representative choirs from each school performed before the choirs combined, accompanied by orchestra and pipe organ, to

perform works representative of the Lutheran Choral tradition. It was a wonderful opportunity for schools from across Brisbane to share music with one another.

Congratulations to the students in St Peters Chorale, and their conductor, Miss Kathryn Morton, for their outstanding contribution. Congratulations also to the students from Saints & Singers, Cantique, St Peters Soloists and St Peters Songmakers who performed in the massed choir. The standing ovation at the end of the concert was well deserved!

## HEAD OF COLLEGE

### Implementing our Strategic Vision

Every two to three weeks, the College's Senior Leadership Team meets to discuss important matters affecting our College.

A major focus of these meetings is monitoring

and driving the implementation of the College's Strategic Vision. Operational strategies and initiatives have been developed for each of the six strategic pillars. One of the most significant strategic pillars is that of 'Academic Education'. This important pillar is our core business, and has the clear strategic intent of supporting and enhancing academic programs through:

- Delivering a contemporary and innovative curriculum that provides offerings that challenge each student;
- Building and supporting a community of teachers who provide quality teaching practice; and
- Developing lifelong learning habits that allow students to reach and celebrate high academic standards.

Key initiatives developed to operationalise this intent in 2017 and beyond include:

- Developing a School Improvement Agenda focused on enhancing student learning;
- Developing and implementing a Plan to best prepare students and staff for changes to QCAA Senior Assessment commencing in 2019;

- Progressively rolling out Firefly, the College's new Learning Management System;
- Developing teaching staff's understanding of and capacity to use data to enhance teaching and learning that is specific to the needs of students;
- Adopting and implementing a Teaching and Learning Framework for the College.

The final dot point: adoption and implementation of a Teaching and Learning Framework, is a crucial part of the strategy of achieving the Academic Education strategic objective. A Teaching and Learning Framework is important for a number of reasons:

- As an organizational tool, it ensures that the College is structured around and operates with a consistent attention to learning;
- It helps teachers consistently focus upon the learning process to plan and deliver curriculum, instruction and assessment;
- It provides a comprehensive model for learning;
- It provides a shared language for teaching and learning amongst teachers and students;
- It can be used as a resource for pedagogical strategies;
- It helps to promote higher order thinking skills; and
- It provides a way of planning, delivering and prioritising staff development.

Further information and developments around the adoption and implementation of a Teaching and Learning Framework at the College will be shared along the journey.

Tim Kotzur, Head of College

## MINISTRY

### Where People Sing – There Make Your Home

So goes a German proverb. Last week, we enjoyed a lot of singing, music and performance around our College as we celebrated Multicultural Week. Festivities included: a Gala evening; St Peters You've Got Talent; and a 500<sup>th</sup> Anniversary Reformation Celebration concert, during which choirs from five Lutheran schools, together with congregational communities and invited guests, celebrated the 500<sup>th</sup> anniversary year of the Reformation. This movement shaped our world, our school system and our music. Choirs and musicians from the various schools showcased their music before combining to sing in a massed choir of some 400 voices, filling the Performing Arts Centre Auditorium with the sounds of the Reformation and their interpretations – from Luther to Bach and Mendelsohn.

It was a wonderful experience and drove home the power of communal singing and music. The reformers of the 15<sup>th</sup> century put the message of the Reformation and their insights into the grace of God, which is available freely to all through Jesus Christ, into songs using popular tunes or their own compositions. This spread the message and has inspired people ever since, whether they defiantly declare "A mighty Fortress is our God", or pray for peace (*Verleih uns Frieden*), or join together in thanksgiving (*Now thank we all our God*). These songs have been re-interpreted again and again and many are still sung in churches across the world today, giving hope, comfort and inspiration to people across the globe. That's why we still sing together in Chapel or church. That's why we have special concerts like the one on Saturday. I pray that music will fill your week and that, together, we can follow the invitation of the Psalmists of old:

*Sing to the LORD a new song;  
sing to the LORD, all the earth.  
Sing to the LORD, praise his name;  
proclaim his salvation day after day.  
Declare his glory among the nations,  
his marvelous deeds among all peoples.  
(Psalm 96:1-3)*

## Message from the Director of Sport

Parents need to be aware of their role as supporters and spectators at St Peters sporting events. Some important points for supporting your child include:

- Focus on the child's efforts and performance rather than the overall outcome of the event;
- Teach children that an honest effort is as important as victory, so that the result of each game is accepted without undue disappointment;
- Encourage children to always respond according to the rules;
- Never ridicule or shout at a player or official for making a mistake;
- Remember that children are involved in organised sport for their enjoyment;
- Remember that children learn best from example. Applaud good play by both teams;

- Support all efforts to remove verbal and physical abuse from sporting activities;
- Recognise the value of volunteer coaches and umpires. They give their time and resources to provide recreational activities for the children and deserve your support; and
- If you disagree with an official, raise the issue through the appropriate channels rather than question the official's judgement in public. Remember, most officials give their time and effort for your child's enjoyment. We have coordinators for each sport on site during each game – please contact them as needed.

Thank you for your continued support of your child's participation in the St Peters sporting program.

Shaun Nodwell, Director of Sport

## AIC Basketball and Tennis

At last weekend's Round 2 fixtures, our St Peters sportsmen took on St Patrick's College.

On the basketball court, our players worked hard in one of the toughest rounds this year. Congratulations to the 8A team, who claimed their second win in a row. Well done also to the 7C team, who played some great team basketball to defeat their competitive opponents. Finally, a special mention to our Opens team who, despite the result, displayed their most complete game of the season and pressured their opposition right up to the final siren. I wish them and all players the best of luck as they look to bounce back this weekend against Marist College.

Tennis players enjoyed successes on court, with many winning performances proving just how competitive our players are. Congratulations to the 1st IV, 3rds, 11A, 11B, 10A, 9A, 9B, 8A, 8B, 7A and 7B teams who have continued their unbeaten runs for another week. A special mention to our junior teams (Years 5 – 9) who put on a dominating display and won the majority of their matches against quality St Patrick's opposition. Players and parents: please note you must arrive well in advance of game start times (7:45am latest for early games).

This weekend (5 August), Round 3 fixtures are set to be competitive as we take on Marist College Ashgrove. All teams will need to dig deep this week at training, take stock of the lessons learnt from last weekend and capitalise on the

improvements all teams are making to their performance every week.

Refer to the St Peters App or portal for the most up-to-date training and fixture details.

## Cross Country

**Coordinator:** Mrs Kerry Schreiber  
[k.schreiber@stpeters.qld.edu.au](mailto:k.schreiber@stpeters.qld.edu.au)

The countdown is on - there are only ten days to go until the AIC Cross Country Championships!

This Friday afternoon, our runners will compete at the final Invitational Cross Country event at St Laurence's College Playing Fields, Runcorn. The Cross Country squad have been emailed all information and students who plan to represent the College will need to leave class early during Period 7 (2:45pm). Please register your interest and outline your travel intentions via the link provided in the email. Students will be transported to and from the Runcorn playing fields via the school bus with an approximate return time of 6:30pm. Please note: this meet is only offered to Years 7 – 12 students.

From this final meet, we will select our strongest team available to verse the other seven AIC Colleges on Wednesday 9 August. We require twelve students to compete in each age group. The boys will enjoy a Squad Morning Tea on Wednesday 9 August before heading out to the Limestone Park Championships at 11.00am. Mrs Schreiber will send these details to all Cross Country runners – keep an eye out.

## Sport Clashes

Occasionally, commitments may overlap. It is important that students communicate with coordinators so that arrangements can be made to best accommodate all students. If there are any major issues, please come to Sports House and see Mr Nodwell, Mr Bradforde or Mr Galland.

## Winter Fixtures

### Hockey, Netball, Tennis and Volleyball

Well done to all girls who played fixtures against Moreton Bay College (MBC) last weekend. The following teams enjoyed wins: the Open and Senior A Tennis teams; the Senior Hockey team; the 10A, 9A and 7/8B Volleyball teams; and the Senior B, 10A, 10B and 7C1 Netball teams. Well done to the 9B Netball team who drew. Congratulations to all girls who played an extremely tough round. It is often the skills and conduct of players during the close and hard fought games that show us the most about our character and ability to stand up to challenges.

We hope all girls enjoy Round 4 versus St Hilda's. Most of this weekend's games will be played at the Gold Coast, so we will provide a bus to transport girls to and from venues. Emails have been sent to girls and parents about buses and girls have been asked to sign up to confirm numbers. It is extremely important that we have accurate lists of who is getting the bus so please ensure you (or your daughter) have contacted [girlssport@stpeters.qld.edu.au](mailto:girlssport@stpeters.qld.edu.au) to secure a seat. Buses for Tennis, Netball and Volleyball will leave the St Peters bus stop promptly at 6.00am and the Hockey bus will leave the St Peters bus stop at 8.00am. Please contact the sport coordinator on Saturday morning if your daughter is no longer taking the bus for any reason.

For girls who will make their own way to the Gold Coast, please ensure you arrive at least half an hour before the game time for warm up.

All buses will leave the Gold Coast at the conclusion of the last game. All details are on the St Peters App. Good luck to all girls.

### Netball

Well done to the netballers for their efforts on Saturday against MBC. Girls enjoyed tight games and showed determination and persistence right

to the end. I look forward to seeing you at our games against St Hilda's this weekend!

### Tennis

This week was an early start against MBC. Girls played well and the Senior teams enjoyed some wins. It's been great to see the doubles partners becoming more familiar with each other and demonstrating cohesive teamwork. I look forward to more great games this week at St Hilda's.

### Rhythmic Gymnastics

The big day is here for our Rhythmic gymnasts! I wish all girls who will compete at the QGSSSA competition on Friday the very best of luck and know that your hard work will pay off. All details including: what to bring, travel information, and the Competition Run Sheet, are available via St Peters App.

The College will provide a bus to and from Moreton Bay College on Friday. Please be at the St Peters bus stop at 6.45am for immediate departure. The bus will collect girls from MBC at 3.00pm.

The Rhythmic Gymnastics break-up will immediately follow the competition. Awards and prizes will be presented. This year, the break-up will be at Grillo's (Toowong Shopping Centre) from 4.00pm – 5.30/6.00pm. Girls will need to bring money for their meal. For girls who will not attend: a bus will return to school straight after the competition.

### Volleyball Senior Schools Cup

This weekend, our Open and 9A Volleyball teams will compete in the Volleyball Senior Schools Cup. This competition will take place at various locations around the Gold Coast. Our Open team will play at Gold Coast Sports and Leisure Centre and our 9A team will play at the Cornubia Park Sports Centre. I wish girls the best of luck.

- **Badminton:** Ms Dani Appleton  
[d.appleton@stpeters.qld.edu.au](mailto:d.appleton@stpeters.qld.edu.au)

Both of these teams will play their game versus St Hilda's next Tuesday 8 August at St Hilda's in Southport. Buses will be provided and girls will need to leave class at 2.30pm for a 2.45pm departure from the St Peters bus stop. Buses will return to St Peters at approximately 7.45pm. Girls are encouraged to pack plenty of food, water and warm clothes.

Well done to the girls for more outstanding performances against Moreton Bay College last week. MBC were impressive opponents and our Open, 7A and 8A teams suffered their first losses of the season in close games. The Senior A team celebrated their first win and the 10A and 9A teams kept their 3-game winning streak going. The 9B team played impressively to beat our Senior B team at Somerville.

Marty Collins, AIS Volleyball coach, has been working with all teams this week. I wish all teams the best for fixtures against St Hilda's at the Gold Coast while the Open and 9A teams compete at the Senior Schools Cup. Refer to the St Peters App for all details.

### Rowing

Congratulations to the rowers on their second BSRA regatta. St Peters has 14 boats that competed across ages groups 8 – 12. Girls walked away with three second places and one third place.

I look forward to our St Peters Host regatta on 12 August. Any support we can receive in catering and fundraising at the regatta is appreciated. The rowers will watch closely as team mate, Taylor MS, lines up to race at the double heats at the Junior World Championships at 11:00pm EST.
