An Evening with Katie Noonan

Christine Taylor, Head of Choirs

[See more photos via St Peter's App photo galleries...](#)

The final Signature Series Concert for 2017 – *An Evening with Katie Noonan* – was a special night of music. Her technical mastery, breadth of range and musical versatility were showcased as she performed with St Peter's Soloists, St Peter's Senior String Band and St Peter's Chorale.

Katie's solo performance included a selection of her hits, some of which were accompanied by staff from the String Department. Year 12 student, Evie S, joined Katie to perform a duet of 'Sweet One'.

The evening concluded with Bella Voce, Forte Voce, Junior High Songmakers, Saints & Singers, Cantique and St Peter's Chorale combining for a massed choir performance of 'You're The Voice' with Katie as part of the Queensland Music Festival.

All the students involved enjoyed the opportunity to workshop and perform with Katie.

Progress not Grades

As we approach the 'pointy end' of the year, it is easy to be become purely focused on marks and grades. As teachers and as parents, naturally we have high expectations

and standards for our students and children, including their academic achievement. High expectations are a good thing, but an overemphasis by parents, teachers and students themselves solely on grades is ultimately unproductive, even counterproductive.

Teacher and writer, Jessica Lahey, in her book *The Gift of Failure* reminds us that students perform better academically when we emphasise goals, effort and progress rather than grades, as these are an effective way to motivate and maintain engagement in school life. The real challenge for us, as teachers and parents, is

to instil in children the importance of seeking feedback rather than test scores, for this is the path to improvement. It is also important to regard failures as valuable opportunities for learning, growth and self-improvement.

Last week, one Ivanhoe Girls Grammar school in Melbourne took the unusual step of developing 'Failure Week'. The purpose was to help students to understand that some of the most powerful learning actually comes from setbacks and when things go wrong.

At St Peters this year, we have introduced the idea of a Growth Mindset to our students – the concept that the human brain is malleable and, as a consequence, intelligence is not something that is fixed, but rather with hard work, persistence and the right strategies it can be developed. A Growth Mindset enables students to bounce back from setbacks in their learning, because failure is not permanent, and as a result become even better learners going forward.

Mr Tim Kotzur, Head of College

Endurance

The last few days of Term 3 are before us. It has been a long term, with many highlights, such as the Katie Noonan concert (and seeing students interact and work with the singer), Head of the River and other sports successes, Primary music performances, and much, much more. It has also been a term of much sickness, stress and pressure. For some, there has been grief and loss.

There are perhaps mixed emotions as we come to the end of this term. There are things to celebrate and rejoice, but there have been struggles and challenges and many members of our community are exhausted.

We are blessed with two weeks of holidays coming up, a break from the daily busyness of school life, a time to catch our breath and prepare for the last term of the year.

I pray that you may find time to rest, to reflect on the last term and see God's hand and presence in the midst of the struggles, take notice of the achievements and positives that also were there, and take the opportunity to give thanks, to thank the God who stands with and behind us and provides for us, day after day. And I pray that this reflection may lead you forward to face the last term with hope and optimism.

I want to leave you with a verse from St Paul's letter to the Romans, as he encourages the people there to persevere in faith and hope and to stand together as one:

May the God who gives endurance and encouragement give you the same attitude of mind toward each other that Christ Jesus had, so that with one mind and one voice you may glorify the God and Father of our Lord Jesus Christ. – Romans 15:5,6.

Have a good finish to Term 3 and a blessed and safe holiday.

Pastor Thomas Böhmert, Indooroopilly Chaplain

2018 TERM DATES

Building a Cyber Safe Community

St Peters is participating in the Alannah & Madeline Foundation's National eSmart Week from 4–8 September.

Years 1–11 students will participate in a range of activities to demonstrate their commitment to building online safety and wellbeing in their community. Some of these activities will include 'Building Cyber Safe Communities' in Year 7, addressing Digital Citizenship in Year 9, and a 'Cyber Safety Game Show' challenge in Year 10.

'For so many of our children and young people the digital environment is just part of their everyday life. They've known nothing different. It's crucial then that we teach them the knowledge, skills and values that will keep them safe online' – Tim Kotzur, Head of College.

More than 1,200 Australian communities took part in last year's inaugural event. The Alannah & Madeline Foundation CEO, Lesley Podesta, said last year's National eSmart Week initiative proved how important it was to Australian communities to protect young people online, explaining that Foundation programs such as eSmart were pivotal in educating people of all ages about cyber safety.

'The internet is a great place to learn, be creative and stay connected, but with one in seven young Australians found to have been cyber bullied each year, it is important that we invest in giving our communities the skills they need to be responsible and safe online.

'The best way to educate Australians about cyber safety is through our children. We know that National eSmart Week gives us the chance to promote important themes and messages by running engaging activities for young Australians,' Ms Podesta said.

National eSmart Week is an initiative developed by the Alannah & Madeline Foundation, in partnership with Telstra Foundation.

Natalie Benfield, Teacher

Volunteers for Tuckshop

Calling volunteers for our tuckshops.

Lunch and coffee is provided. Tuckshop is a great way to meet other parents.

Volunteers needed for the Junior School, Grandstand and Café 45 tuckshop, once a month, fortnight or week – any time would be appreciated:

- Junior School Years 1–4
- Grandstand Café service Years 5–8
- Café 45 service Years 8–12

Please contact Sarah Foy on s.foy@stpeters.qld.edu.au or 3377 6245

Extended Day Program

St Peters is pleased to announce the introduction of The Extended Day Program for students from Junior High.

The Extended Day Program is optional and recognises the busyness of modern family life. It is an initiative to offer parents and students increased flexibility, allowing them to make the most of the St Peters day.

A typical afternoon may involve your child attending their cocurricular activity after school, before joining other students for supervised study in the Library prior to dinner. Students who are not involved in a cocurricular activity will have organised activities from 3:30pm–4:30pm. Dinner will be served at Café 45 followed by a further study session. Parents/ caregivers may collect their child/children any time prior to 8.00pm.

The program cost is \$40 a day covering the cost of dinner and supervised study and will be offered Monday to Thursday.

In Term 4, the program will be piloted and only 20 places will be available as we gauge interest.

If you are interested in your child/children attending the Extended Day Program please contact EDP@stpeters.qld.edu.au for further information.

Lisa Delaney, Deputy Head of College

St Peters Takes Out Honours at Opti-MINDS

On Sunday 27 August, Lillian K, Lauren F, Ava M and Hayley B represented St Peters in the Opti-MINDS Language and Literature Division 2 Regional Challenge.

The team were given six weeks to develop a script and costumes in response to the topic 'One Day in the Life of'. They had to incorporate the concept of the most ordinary subject, as well as fuse the genres of Fantasy and Folklore into a literary piece. They also had to incorporate a stirring element in their plot, a character who only spoke the truth and a character who rarely spoke the truth.

On performance day, the team also had to present their solution to an unseen challenge, given only minutes to prepare. For their overall performance, the team was awarded Honours!

Congratulations Lillian, Lauren, Ava and Hayley.

Stephanie Hogan, Teacher – Gifted Education

Mahjong

Thursdays 11:30–2:30pm term-time,
P&F Centre (top floor)

Lower Primary Gathering

Tuesday 17 October &
Thursday 9 November.

Upper Primary Gathering

Friday 13 October

Upper Primary Disco

Friday 3 November, 6.30 – 9.00pm,
Gymnasium

Details about the theme and how to book will follow in the near future. Please note: this is a closed event and only for students in Years 5 and 6.

The Years 5 and 6 Parent Representatives will host a 'Bring and Share' at the P&F Centre for parents, caregivers and siblings of Upper Primary while the students are working on their disco dance moves.

Study in Germany – Information Session

German universities have an excellent reputation throughout the world and produce international advances in research and innovation. It is a popular destination for international students.

The German Academic Exchange Service will present an information session on Friday 13 October from 3:30–5:30pm at the Performing Arts Centre Theaterette. The session will include information about study opportunities in Germany, which include international programs (in English or German), language programs, tertiary preparatory courses, student exchanges, degree programs, scholarships and postgraduate study.

For more details or to RSVP, see: sigis.eventbrite.com.au or contact Roger Ganderton: r.ganderton@stpeters.qld.edu.au.

Check out Brisbane German Week: germanweek.com.au for upcoming events in early October: Science and Innovation, Business Connections, Oktoberfest, Cultural Events, Autofest and all things German!

Roger Ganderton, Teacher – Languages

German Exchange Farewell

Our four visiting exchange students from Germany: Ben J, Jessica K, Johanna R and Paula S, said a fond farewell to their hosts, Dylan M, Lauren C, Erika B and Holly J, last Wednesday at Brisbane International Airport.

For the four Year 11 students, it was a new and exciting experience to see the Aussie wildlife, experience the beach, the bush and even the sights of Sydney, as well as wear school uniforms!

The annual exchange program between St Peters and *Laurentius Gymnasium*, a partner Lutheran school in Neuendettelsau, near Nuremberg, has given students from both schools the opportunity to experience life in another country and language environment from the inside, as part of their host family and host school's daily lives.

Likewise, through Ben, Jessica, Johanna and Paula's presence not just in Year 11 but also through visits to Primary and Junior High German classes, our students have had their language lessons come to life. Our visitors impressed with their high level of English fluency and their friendliness and approachability.

This year, students from Redeemer Lutheran College also hosted exchange students from *Laurentius Gymnasium*, who will be welcoming their Redeemer hosts for the return exchange at the end of the year. In 2018, students of German in Year 10 at St Peters will again have the opportunity to take part in this wonderful exchange experience.

Roger Ganderton, Teacher – Languages

Congratulations to Abbey L (Year 11), who designed a logo for the satchel for the International Adolescent Success Convention Teaching and Learning Conference held in Brisbane in August.

The design was selected from a number of school entries and featured STEAM symbols to reflect the conference's STEAM focus.

IEU Award of Excellence in Art and Design

Congratulations to Kate E (Year 8) and Amelia B (Year 12) who have been awarded high commendations in the IEU (Independent Education Union) Award of Excellence in Art and Design.

Kate received accolades for her Lino Print in the Years 7/8 section and Amelia was awarded for her Digital Print (pictured) in the Years 11/12 section.

Kate and Amelia were recognised at a ceremony at the Queensland Multicultural Centre on Wednesday 6 September.

Julie Seidel, Curriculum Leader – The Arts

MUSIC

Just Electric Rock Upper Primary Assembly

Strum, hum, smash, crash! As resident drummer of the Upper Primary Rock Band, 'Just Electric', those were the sounds I heard as we rocked the socks off at last Thursday's Years 5-6 assembly. But if you weren't there, here's a quick rundown of who we are and what we do.

The band has four members, Cohen G (guitar), William V (piano), Sam C (bass), and Ellis Y (drums). We performed 'My Generation' by the Who, but we hope in the near future to add 'Love Cats' by The Cure and 'Rock the Kasbah' by The Clash.

We thank Mr Jacobson for helping our band with rehearsals, performances and so much more. He receives all of the band members' deepest appreciation.

Ellis Y (Year 6 Drummer)

AIC Basketball and Tennis

Last weekend, St Peters sportsmen held their own against Villanova College. Although wins were sparse, the final game margins were far closer this year compared to last – a positive result.

The AIC season will wrap up this weekend versus St Edmund's College. Seniors will play their final game at home, and Juniors will play away at St Edmund's. I encourage families and students to come and cheer on our Senior basketballers in their final home game at 12noon. Lastly, save the date for the Basketball Break-up which will take place on Friday 6 October (Term 4). We look forward to celebrating the season together.

Our St Peters tennis players put on a dominant display across Years 7 – 12, winning the majority of matches against Villanova. The First IV, 8A and 8B teams enjoyed particularly convincing wins, taking out victory in all their sets to nil! We hope the run of wins continues as we go into the final round of the season against St Edmund's College in a very strong position to claim the AIC Aggregate premiership for the fifth year in a row! What an awesome achievement! Save the date for the end-of-season Tennis Break-up on Wednesday 4 October (Term 4). We look forward to celebrating with our players.

Congratulations to all St Peters sportsmen for working hard to be a team player this year – let's give St Edmund's College one more taste of our competitive spirit this weekend.

Details for this weekend's fixtures are available on the St Peters App or portal.

Athletics

Coordinator: Mr Matt Bradforde
m.bradforde@stpeters.qld.edu.au

Athletics training continues each Monday, Tuesday and Wednesday afternoon for all Years 7-12 students who want to represent St Peters in AIC Athletics. Wherever there is no clash with in-season sports, these training sessions should be well and truly be incorporated into weekly schedules to build strong foundations for the upcoming season.

The St Peters All Comers Meet will take place this Friday 8 September. Interested athletic students should have signed up online. Last year was a great success with over 100 students attending, and we look forward to bigger numbers and stronger performances this year. The meet is a great way for aspiring athletic students to gain further competitive meet practice and record times and distances in anticipation of selection in the 2017 AIC Athletics team. Details and sign-up forms have been sent directly to students.

Important Dates

Term 3

- **Friday 8 September:** St Peters All Comers Meet for all Years 7-12 boys who wish to make the AIC Athletics Team: 3:30 – 7:30pm, State Athletics Facility, Nathan;
- **Thursday 14 - Friday 15 September:** UQ Athletics Clinics for all Years 7-12 boys who wish to make the AIC Athletics Team: 9:00 – 12noon, UQ Athletics Track, St Lucia.

Term 4

- **Thursday 5 October:** AIC Athletics Meet: 3:30 – 8:00pm, UQ Athletics Track, St Lucia;
- **Thursday 12 October:** AIC Athletics Meet 2: 3:30 – 8:00pm, UQ Athletics Track, St Lucia;
- **Friday 20 October:** Final AIC Athletics Meet 3: 3:30 – 8:30pm, State Athletics Facility, Nathan.

Cricket

Coordinator: Mr Mark Holman
m.holman@stpeters.qld.edu.au

All aspiring cricketers in Years 4-10 who are not already linked with a cricket club are encouraged to play MSW cricket in Term 4. Students playing MSW Cricket must return forms and make payment (\$65) via the portal by this Friday 8 September. For information and enquiries contact Mr Mark Holman.

In Term 4, we will move into pre-season training for the 2018 AIC cricket season. All cricket players are encouraged to attend Brett Henschell's September Cricket Clinics that will be run at Fig Tree Pocket SHS during the upcoming school holidays. We would love to see as many of our students involved in this worthwhile clinic as possible.

Waterpolo

Coordinator: Ian Taylor
i.taylor@stpeters.qld.edu.au

St Peters will once again take part in the short but intense four-week Invitational AIC Water Polo Competition commencing in Term 4. This year, we will field a Years 7/8 team and an Open team to verse other Colleges within the AIC Competition as there were insufficient numbers of interested players to make a Years 9/10 team.

Students will receive further information regarding the season from Mr Taylor, however training and game times will be similar to last year:

- Training times: (All teams) Friday 3:30 – 5:00pm, 50m pool; and
- Game times: Wednesday afternoons, various times from 4:15pm for different age groups.

St Peters will play all games away with transport provided to and from the venue.

YEARS 7-12 ALL COMERS ATHLETICS MEET

SPORTS DRAWS

[Click here to access this week's draws](#)

Winter Fixtures

Good luck to all girls playing final rounds of Winter Fixture games this weekend. All draw details for the away round against Somerville House are on the St Peters App (please note that Netball will be played at St Peters Harts Road Courts). Good luck to our 8A Netball team, Senior A Tennis team and 9A Volleyball team who are all vying for premierships this weekend.

Thank you to all of our Winter Fixtures coordinators for the outstanding job they have done this season. The hours of organisation that go in behind the scenes does not go unnoticed by our girls and these sports could not run without your tireless enthusiasm.

Thank you to Mr Mark Holman for his work getting coaches for our sports. This is a huge job and one that is extremely important because without coaches our girls could not play sport.

Each of these winter sports has a break-up to celebrate the end of the season and acknowledge award winners. Please look out for more information from each coordinator regarding your sports break-up, most of which will be held next week.

Tennis

Last weekend, Brisbane Girls Grammar proved to be very tough competition. Across all the courts, there were very long and intense rallies, and often times games were played to deuce, showing just how close the matches were. Well done to the Senior A team who came through with a victory, making them eligible for the premiership. Only one round of QGSSSA Tennis to go!

Volleyball

Last weekend, the QGSSSA Volleyball team played Brisbane Girls Grammar. BGGG stayed true to their reputation as fierce competitors but all of our teams rose to the challenge and played spectacular volleyball in hard fought wins and losses. The 8A team played the game of their season, winning 2-1.

This week is our final game of the QGSSSA season against Somerville and all teams (except the 7B team) will play at The Gap, including the teams that usually play at Somerville. A reminder that the break-up is on next Monday afternoon in the Gym.

Athletics

This Friday night (8 September) is our St Peters All Comers meet. An email has been sent to all girls about this exciting meet. It is a chance for our whole Athletics team to come together and enjoy friendly competition with opportunities to win prizes. All girls who want to be considered for the QGSSSA Athletics team are expected to be there as this is one of the last opportunities

to get times and distances recorded ahead of Term 4 selection.

Next Thursday 14 and Friday 15 September we will have our Athletic Clinics. These are from 8.30am - 11.30am at the UQ Athletics Track. This is a great opportunity to access specialist coaches. Food will be provided.

Badminton

Training will continue through next week (except for Wednesday after school). Please note that our Badminton Clinics will be held on Thursday 14 and Friday 15 September in the Gym at the following times:

- Years 11 and 12: 12.00 – 1.00pm;
- Years 9 and 10: 1.00 – 2.00pm; and
- Years 7 and 8: 2.00 – 3.00pm.

It will be a fun way to start your holidays and improve your Badminton skills.

Water Polo

Thank you to all girls who attended our Water Polo trials held over the last two weekends. Teams will be announced before the end of term and Water Polo training will start at the 50m pool on Monday 2 October for the 13B, 14B and 15B teams (this is a public holiday but training is starting on this date ahead of our first game on Saturday 7 October). The training schedule for Term 4 will be on the St Peters App by the end of this week.

Junior Softball

Years 7, 8 and 9 girls

Our last Softball trial will take place next Tuesday 12 September from 6.15 – 7.30am on Harts Road Oval. Training will start in Term 4 on the first morning back at school (Tuesday 3 October).

Softball games will be played from 3.00 - 6.00pm (transport is provided) on the following days:

- Tuesday 24 October;
- Thursday 26 October;
- Wednesday 1 November; and
- Thursday 3 November.

Fitness Swim Training Term 4

Training starts for all Water Polo girls and AIC and QG hopeful swimmers for 2018.

Go to the 50m pool: Monday, Tuesday and Thursday afternoons, 3:30pm-4:15pm, starting in Term 4 from Tuesday 3 October.

YEARS 7-12 ALL COMERS ATHLETICS MEET

Hip Hop Dance Spectacular

On Wednesday 13 September the Hip Hop Dance Spectacular will be held in the Performing Arts Centre from 2:30 – 3:00pm. All parents are invited to watch the Years 4 – 6 Sports Development Dances.

WDNA Netball Grand Finals

Congratulations to all three St Peters Netball teams who contested their divisional Grand Finals on Saturday. All teams played great games in what were three very competitive affairs. The end results didn't go St Peters way with the girls missing out on the Premiership in the three finals. Making the Grand Final is still a wonderful achievement and something that all girls should be very proud of. Thank you to coaches and parents for their support throughout the season.

Years 4 – 6 Athletics Training

Primary Athletics training will be replaced by AIC Years 5 and 6 Boys Athletics training.

The Years 5 and 6 AIC draft Athletics Team has been notified by email. AIC Training is only open to members of the Years 5 and 6 draft Athletics team.

Term 3 Aic Basketball and Tennis Training

Term 3 Basketball Training

- Wednesday afternoon: 3:30 – 5:00pm, St Peters Outside Gym Courts

Term 3 Tennis Training

- Friday afternoon: 1:55 – 5:00pm, Lohe Street Courts.

AIC Basketball and Tennis training concludes in Week 9 of Term 3.

Years 5 and 6 AIC Athletics Training

- Monday and Wednesday afternoon: 3:30 – 4:30pm, Lower Primary Oval

Upper Primary HPE

HPE Dates Term 3
